The fees estimated within this information sheet assumes that:

- This is a standard transaction and that no unforeseen matters arise including, for example (but not limited to) a defect in title which requires remedying prior to completion or the preparation of additional documents ancillary to the main transaction;
- The transaction is concluded in a timely manner and no unforeseen complications arise;
- No indemnity policies are required. Additional disbursements may apply if indemnity policies are required.

Below is a list of things that may increase the estimated cost and the length of time taken to complete your transaction:

- Foreign AML Checks;
- Missing title deeds;
- Whether there is more than one mortgage to obtain (Help to Buy Loan);
- Shared ownership scheme;
- Statutory Declarations.

This is not an exhaustive list.

We are a Conveyancing Quality Scheme Accredited Firm and are registered panel members for many Mortgage Lenders. However, in the event that we are not on your Mortgage Lender's Panel of approved solicitors, we reserve the right to increase our legal fees.
